Welcome to the Cheltenham Branch
Programme for 2019

Branch events are open to all
members of the branch, regardless of
their ringing experience. Whilst some
branch practices may have a specific
focus, we will always make sure there
are ringing opportunities for anyone
who attends.

If there is something you would
particularly like to ring, either at a
branch practice or for a quarter peal,
please contact the Ringing Master.

If you or your tower would like support
with ringing a particular method or for a
special event, please contact the
Ringing Master.

Help is also available for tower
maintenance and ARTs.

Please keep an eye out for further
details of branch practices and events
in the Facebook Group, the Branch
Website and the Bellboard Events
page.
